Asset and Property
Management

There's one specialist
who has the North East
covered...

Consult Naylor's Asset and Property Management Department

The best solution from
the specialists

Recent additions to the register confirm our expertise in property management and endorse our reputation for professionalism and for providing a quality customer service at all times.

Naylor's Chartered Surveyors' Asset and Property Management Department provides a comprehensive, peace-of-mind service to ensure your property operates smoothly and efficiently.

Since its launch in 1990, the company has been involved with some of the region's most prestigious schemes.

Whether you own a small city centre office block or an entire industrial estate, we have the knowledge and expertise to provide you with a bespoke service, tailored to your own individual requirements.

Angus White,
Director of Asset and Property Management

Tel : 0191 232 7030

Angus White (Director) heads up Naylor's Asset and Property Management division. The team has a wealth of experience in commercial property and asset management dealing with many well respected local and national companies.

The growth of this sector of our business has been gained by our simple ethos of providing the best professional and personal expertise in the area.

The pictures on this page are a small selection of our managed property portfolio.

From its base in Newcastle, Naylor's Chartered Surveyors cover an area that stretches from the Scottish Borders down to West Yorkshire and across to the Lake District.
